

# MONMOUTH BEACH TREE ORDER FORM

In an effort to reforest and restore the canopy in our beautiful town, the Monmouth Beach Shade Tree Commission is once again offering for purchase up to two 4-to-12 foot trees per resident. The homeowner's price is \$250 for the majority of trees, which is a fraction of the actual retail cost. Excluded are the Sycamore/London Planetree and the Willow Oak, which are \$400 each due to the higher nursery price of larger trees.

The trees will be planted, staked, fertilized and mulched for you in the late fall. Also, new this year, trees may be planted anywhere on your lawn, not under power lines, as approved by the Shade Tree Commission. Preference given to front yards.

---

## AVAILABLE FOR PURCHASE

**Evergreen (\$250):**  
Eastern Redcedar

**Flowering (\$250):**  
Tulip Poplar\*, Serviceberry

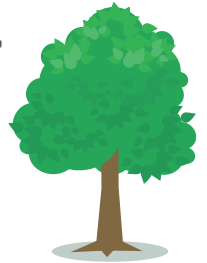

*\*Large & Flowering*
